Further to a site meeting between the site manager of Billinge Plantation, Colin Riley and James Widdop of St Helens Borough Council in January the public rights of way have been more accurately mapped to reflect the definitive map and the rights of way on the ground. I enclose a notice as required by the above Act declaring that those ways are known to be public highways on the above property. It is the Trust's aim not to dedicate any public highways over its property. This will be confirmed by depositing a Statutory Declaration to this effect within ten years from today and to repeat this process thereafter.

I would welcome any comments which you wish to make on this letter and enclosures.

Please acknowledge acceptance of the formal notice.

Yours faithfully

Mrs Sarah McKay  
Assistant Land Agent
